

High Chart, Westerham

15 March 2018

Kent Night Cup

Venue :	High and Limpsfield Charts are the western parts of Westerham Chart. High Chart largely comprises of conifer plantations and is actively managed with felling taking place from time to time, whilst Limpsfield Chart (NT) is a mix of conifer blocks and deciduous woodland. Both parts have an extensive path network. Both areas are subject to undergrowth although runability is at its best at this time of year. We have held night events here in the past, but this night event is the first on the updated map and includes some control sites within previously undermapped conifer blocks.
Map :	1:7,500 scale with 5m contours. Survey and cartography update 2016 by Andrew Pitcher.
Directions :	(Western Approach) From the M25 Jnt 5 follow A25 to Westerham. At road junction, east of Oxted take the B269 for 1.5km to Limpsfield Chart. (Eastern Approach) From A21/A25 junction near Sevenoaks follow the A25 to Oxted. At the Grasshopper Inn turn left onto Moorhouse Road and follow for 1.5km to Limpsfield Chart. Public transport: Nearest train station is Hurst Green (3km). There is a mixed road and footpath walk of around 3km to Limpsfield Chart. Print off map & bring extra torch power if walking and allow around 45 mins as the map suggests the route is uphill.
Car Parking :	Parking is on public roads around Tally Road (Nearest Postcode RH8 0TQ). There are a couple of small parking areas around Tally Road that can accommodate several cars each. I have <u>not</u> made arrangements to utilise the Carpenters Arm PH car park, so unless you intend to stay for the Apres-O (and then only as a last resort) please do not use their car park.

There are four dumbbell legs (2 within each control set), which if done in sequence in either direction (i.e.60 to 61, or 61 to 60) an additional 1 point will be awarded. Collect as many controls as you can manage within 60 minutes. Maximum score = 24 points. Mass start 19.30hrs. Course closes 20.30hrs. Control value 1 point, with 1 point deducted for each minute or part minute you are late back. Equipment: SPORT IDENT timing will be used. If you don't have a dibber, they are available to hire for £1 from registration. Hired dibbers that are lost will cost £30. Remember to bring a watch and back up torch.
Fees :	Seniors £4 and Juniors £1.
