

Welcome to the Lloyd Park Permanent Orienteering Course. Orienteering is the sport of competitive navigation, across country on foot. Using a specially drawn map and a compass, orienteers try to find their way as quickly as they can between control points. Because the skill is in finding the best route, it is a sport which is enjoyed by all ages.

These permanent orienteering courses, marked by fixed posts in the ground, offer you the chance to try out our sport in a fun way without any competition. They are also a fun way of exploring the area and offer many new experiences and views of the woods.

The fixed posts are identified by a number & letter which helps to confirm where you are on the map and, in addition, we give you a printed description of the ground feature where the post is sited.

We offer you three suggested courses which **all start and finish north of the car park and cafe.**

**There is no distinctive feature for the Start and Finish.**

**The Start symbol on the map is a triangle and the Finish is two (concentric) circles.**

Course 1 (Short, 1.1km); Start, 1, 3, 4, 10, 5, 6, 8, 7, Finish.

Course 2 (Medium, 1.9km); Start, 1, 3, 6, 10, 11, 13, 22, 20, 14, 15, 16, 7, Finish.

Course 3 (Longer, 4.3km); Start, 1, 3, 4, 12, 11, 6, 16, 14, 13, 22, 23, 27, 29, 30, 31, 32, 26, 20, 19, 15, 17, 8, Finish.

The short course is recommended for beginners and when you wish to progress in distance and difficulty move on to the medium and longer courses.

We hope that you enjoy your visit to Lloyd Park and its permanent orienteering course. If you would like to try other courses or get further information on orienteering then go to DFOK website.

Control No	Location Description
Start & Finish	North of Car Park and Cafe
1	Earth Wall bend
3	Fence SW end
4	Vegetation boundary
5	Single Tree (Post missing Oct 21)
6	Thicket NW side
7	Building, E side
8	Thicket, S Edge
10	Vegetation boundary
11	Earth bank
12	Vegetation boundary
13	Ditch
14	Vegetation boundary
15	Earth bank, foot
16	Boulder, N side
17	Single Tree, E side (Post missing Oct 21)
19	Fence SE Corner (outside)
20	Path junction (new post Oct 21)
22	Vegetation Boundary
23	Vegetation boundary N tip
24	Vegetation boundary NE edge
25	Fence NE corner, (inside)
26	Earth bank, foot
27	Thicket
28	Fence NE corner (inside)
29	Small earth bank
30	Fence
31	Vegetation boundary, N side
32	Road
34	Single Tree, E side

## Lloyd Park, Croydon. Permanent Orienteering Course

Permanent orienteering courses (POCs) are set up primarily for individuals and small groups only.

If you would like to use the map for larger group activities then you will need the permission of the land owner - in this case, Croydon Council. In addition, it would be courteous to notify DFOK just in case the club also has an activity on the same day.

Large groups, such as schools and youth groups, may obtain maps in bulk from DFOK if they wish to hold a large orienteering activity on the site.

Please see the POC pages on the DFOK website for contact information. DFOK also offers help to schools in setting up orienteering within their school grounds.

The support and co-operation of Croydon Council is much appreciated. Further information by going to their website:

<https://www.croydon.gov.uk/libraries-leisure-and-culture/parks-and-open-spaces/parks-and-playgrounds/parks-and-playgrounds-directory/lloyd-park>

Please TAKE CARE, particularly after wet weather when the ground may be slippery, and leave no litter.
