

NW Kent Series – Event 6 : Beckenham Place Park

1st September 2012

Many thanks for coming to the event, we hope you enjoyed the new venue. Thanks to Geoff Goodwin and Phil Basford who mapped the park this summer – I think the first time it has been used for orienteering. As some of you noted there is a bit more work to be done to tighten up the map in a few places, but hopefully it was accurate enough for an event of this nature.

Well done Andrea and Holly the senior winners (even though Holly is only 12) and Angus and Emily the junior winners. Last time I organised an event (at Crystal Palace) Sean Cronin told me that the British orienteering champion might have been to complete it in the 45 minute timeframe although nobody actually there that day came close. So I was pleased yesterday to see that several of the gents got all 20 controls and quite a few of you came close.

There are some photos from yesterday here:

Hope to see you at a future DFOK event
