Thanks to Rachel and all the DFOK helpers for organising another great event. The fast open parkland suited the faster runners and Angus in particular – some notable scalps there.

If you fancy trying night O there is an event in Danson Park this Thursday. It's going to be tougher at night but you can't get too lost in the park and you can always follow the lights back to Danson Stables where the after event social will be. There's lots more DFOK orienteering coming up this spring with another 5 events before the end of March. If you're not in a club why not join DFOK? It's free for the first year and you can join online at <http://www.britishorienteering.org.uk>

Sean Cronin (series co-ordinator).
