

What a lovely day, if a little hot for running. Also a fine spot for a start/finish and the view over the meadows helped the less experience get to grips with the map scale. Well done to those competing in their first event with everyone finding lots of controls.

DFOK have training evenings on Wednesdays, everyone is welcome to attend. The next DFOK race is actually right next to Shooters Hill on Wednesday 20th June at Eltham Park (starting near Falconwood Station). Next North West Kent League event is at Lesnes Abbey Wood on 7th July.

A few people with * next to their name punched the 80's out of order so had controls ignored.

Perhaps the rules are confusing, but there's no excuse for the series co-ordinator!
